

# Toyota Technological Institute (TTI), JAPAN Summer Seminar 2022

August 23 - 24, 2022 **ONLINE Edition!**

**For those who are curious and looking to upskill...**

TTI invites international students from partner universities for a two-day online seminar comprised of **Engineering Lectures/Laboratory Introductions and Keynote Lecture.**

Join us to be connected to TTI community where you can learn and get to know state-of-the-art researches!

## Seminar Theme “*Virtual Visit to TTI*”

Day 1	August 23	(Tue)	12pm – 5pm JST	<ul style="list-style-type: none"> <li>● Keynote Lecture</li> <li>● Engineering Lectures</li> </ul>
Day 2	August 24	(Wed)	3pm – 5pm JST	<ul style="list-style-type: none"> <li>● Engineering Lectures</li> </ul>

\* The schedule is subject to minor change.

- **Engineering Lectures** – Students will listen to lectures given by TTI’s selected professors, and get to learn about researches conducted at TTI engineering laboratories.
- **Keynote Lecture** – Students will listen to a lecture given by Dr. SAKAKI Hiroyuki, President Emeritus of TTI. The lecture will be given with the aim of providing future engineers and researchers with academic as well as cultural insights. The attendance is optional for those living outside of Asian time zones. (You are more than welcome to join if you are an early bird!)

## Qualifications

- **Undergraduate engineering students in their second, third or fourth year / Postgraduate engineering students**
- To have **background knowledge/necessary skills** specified by TTI lecturers of your choice
- To have **English proficiency** to actively engage in Lectures. The seminar is conducted entirely in English.

## Financial Support

- No tuition is required.
- Preparation of tools necessary for the Seminar, mainly a PC to join Zoom meetings, is at the participants' own expense.

## How to Sign up

- From the accompanying list, select up to five lectures you wish to take part in. Submit the application form to an international relations office in your home university.
- Based on your preference and availability of the audience slots, you will be assigned to up to two lectures to attend.

## Notes

- Application may be turned down if an applicant does not meet the requirements for the Lectures, or if we receive a larger number of applications than the audience slots available.
- The seminar may be cancelled if we do not receive sufficient number of applications.
