Chung Yuan Christian University

Introduction to **CHUNG YUAN CHRISTIAN UNIVERSITY**

Collaborating Partner of NVIDIA

NVIDIA founder and CEO Jensen Huang shared how the AI era is driving a new global industrial revolution and how generative AI systems are being applied in various fields. He also mentioned collaborating with several partner public and private universities, among which is Chung Yuan Christian University.

Profile

At CYCU, we believe that our faculty sees the unique potential in every student. We also believe that God sees the influence our faculty has on the students.

We believe that our faculty's teaching is of great practical use to our students. We also believe that our students' future contributions will be of certain value to the world.

Thank You!
