DISCOVERNUS & NUS ASEAN Master's Scholarship

DiscoverNUS and the NUS ASEAN Master's Scholarship Programme bring top students from partner universities across Southeast Asia to study at Singapore's flagship university, creating a pipeline of talent that will lead the region into the future. Come enjoy our beautiful campus and participate in cross-cultural collaborations and activities with NUS students!

This two-part programme comprises one tuition-free undergraduate semester at NUS, and a scholarship opportunity for an NUS master's degree.

Learn from world-class faculty at NUS, ranked #1 in Asia and #8 in the world!
QS World University Ranking

ELIGIBILITY

- Be a citizen of Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, the Philippines, Thailand or Vietnam
- Be a full-time undergraduate student enrolled at a partner university
- Be in the last two years of your undergraduate studies
- Possess outstanding high school / pre-university qualification(s)
- Be proficient in English
- Be nominated by your home university

HOW DO I APPLY?

For DiscoverNUS, please contact the office responsible for international relations/study at your university to indicate your interest. That office is responsible for nominating students for DiscoverNUS, and will have more information, including deadlines.

You will need to submit your resume, which should include:

- ► Education history (name of high school and GPA, as well as current university GPA)
- ► Work, leadership, and volunteer experience
- ► Extracurricular activities (e.g. clubs, sports, etc.)
- ► Academic awards or scholarships from high school and/or university
- ► Demonstration of English proficiency (e.g. TOEFL/ IELTS)
- ► Additional useful information, if available, (e.g. languages, special talents or interests)

DiscoverNUS participants who are admitted to an eligible master's programme will automatically be considered for an NUS ASEAN Master's Scholarship.

ADDITIONAL INFORMATION

DiscoverNUS

▸ The scheme covers full tuition fees for one semester of undergraduate study at NUS.

▸ DiscoverNUS students are guaranteed on-campus housing. Students are expected to pay for housing, however there is limited financial aid available, which will be allocated on a demonstrated needs basis.

▸ Students must choose an area of study at the time of nomination; NUS will do its best to accommodate student preferences.

NUS ASEAN Master's Scholarship

▸ DiscoverNUS participants are eligible for an NUS ASEAN Master's Scholarship. In *either* the year you graduate or one year later, apply to a participating master's programme for the Semester 1 intake and you will automatically be considered for a scholarship. For example, if you will graduate in May/June 2026, you are eligible for a scholarship for either the August 2026 or the August 2027 intake. Please note that students who apply for the Semester 2 intake are not eligible for the scholarship. Please note that admission to a master's programme is competitive and not guaranteed.

▸ The scholarship covers full tuition fees for a Master's Degree programme at NUS and is available only to DiscoverNUS participants.

▸ NUS ASEAN Master's Scholarship recipients are guaranteed on-campus housing. Students are expected to pay for housing, however there is limited financial aid available, which will be allocated on a demonstrated needs basis.

▸ Recipients of the scholarship may not concurrently hold any other scholarship, fellowship, bursary, grant, award or allowance without notifying NUS.

▸ If the recipient of the scholarship decides to withdraw from the University and/or terminate the scholarship prematurely, NUS reserves the right to impose repayment of all scholarship monies disbursed to the recipient.
