Dear Mr. Tran Xuan Bo

I am pleased to inform you that your application toward Master Degree program in Mechanical Engineering has been officially granted by the Graduate School of Institut Teknologi Bandung.

Please be advised that you must immediately proceed with formal admission process at the registrar office of the Graduate School ITB at Annex Building 1st floor, CCAR, Jalan Tamansari 64 Bandung. Please bring with you this admission letter, and recent photographs (2 pieces of black/white 3cm x 4cm photograph, and 1 piece of color 2cm x 3cm photograph), and original BSc diploma for registration requirements.

The registration is scheduled for July 31th to August 4th 2006. However, we strongly recommend you to register early. We would also advise you to contact the International Student Office (ISO) at iso@itb.ac.id for further assistance in arranging the immigration permit as well as preparation for foreign student, or visit their website at www.che.itb.ac.id/iso

I am looking forward to have you here in Bandung.
Thank you for your concern in this matter.

Sincerely,
Dean

Graduate School – Institut Teknologi Bandung

Prof/Dr.Ir. Ofyar Z. Tamin, M.Sc.

The scholarship covers tuition fees, living expenses, health insurance, visa fee and travel expenses. As for necessary documents for visa application, please advise the candidates to directly contact the respective Host Institutions.

Thank you very much for your kind cooperation.

Sincerely yours,

Assoc. Prof. Krisada Visavateeranon
Executive Director

Dear Prof. Ha Duyen Tu,

Subject: Award of Scholarships for Master's Degree Program (#2)

It is my pleasure to inform you that the following candidates are awarded the AUN/SEED-Net scholarships for the Master's Degree Program for the Year 2006 for 2 years at the universities listed below, on condition that the candidates submit additional required documents listed in the last column:

No.	Host Institution	Country	Field	Full Name	Sex	Sending Institution	Additional Required Documents
1	Institut Teknologi Bandung (ITB)	Indonesia	Mechanical and Aeronautical Engineering (ME/AE)	Tran Xuan Bo	M	HUT	Bachelor's certificate and full transcript
2	National University of Singapore (NUS)	Singapore	Electrical and Electronic Engineering (EEE)	Vu Quoc Huy	M	HUT	Bachelor's certificate and full transcript

In this regard, we require the above candidates to confirm their acceptance of the scholarships by returning the completed reply form (attached) to the Secretariat, with an endorsement by the Dean or a designated person. Please note that the contract between the Host Institution and AUN/SEED-Net for each candidate's scholarship cannot be made unless the reply form and any required document are received at the Secretariat. Therefore, please kindly urge the candidates to send the reply form by fax as soon as possible, but not later than May 7, 2006, while the original can be followed by post. If you have any queries, please contact Ms. Rungchalai Punninda, Program Officer, at rungchalai@aun-seed.net.

Dear Prof. Dr. Ha Duyen Tu,

Subject: Award of Scholarship for the Doctoral Degree Program in Japan for the Japanese Fiscal Year (JFY) 2008

It is our pleasure to inform you that Mr. Tran Xuan Bo, Lecturer, Department of Aeronautical Engineering, Faculty of Mechanical Engineering, Hanoi University of Technology who is now pursuing a master's degree at Faculty of Mechanical and Aerospace Engineering, Institut Teknologi Bandung, Indonesia, has been awarded the scholarship for the Doctoral Degree Program in Japan for JFY 2008. The JICA Project Office for AUN/SEED-Net is now working on the arrangement for him to follow the entrance procedure for the doctoral degree program at Toyohashi University of Technology. After he passes the university's entrance process, we will proceed with the arrangement for him to pursue his study under the supervision of Assoc. Prof. Dr. YANADA Hideki.

Please note that an official request should be prepared by the Member Institution and submitted to the Embassy of Japan or the JICA Vietnam Office through the coordinating ministry or agency responsible for technical cooperation in your country. Mr. IWADATE Hiroshi and Ms. Siriporn Rungueangtanya, Program Coordinators of the JICA Project Office for AUN/SEED-Net, will contact the applicant on the detailed information and necessary procedural matters.

Your kind cooperation is highly appreciated.

Sincerely yours,

Assoc. Prof. Dr. Sucharit Koontanakulvong
Executive Director
AUN/SEED-Net Secretariat
